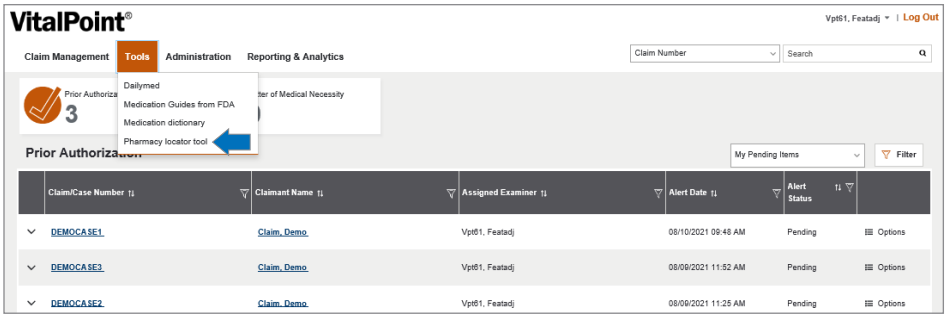
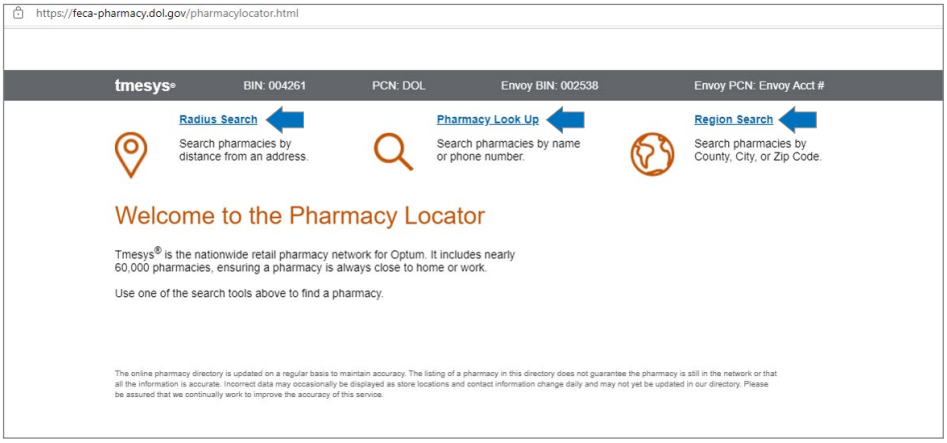
Pharmacy Locator

On the OWCP FECA VitalPoint® Portal, you can find instructions and a link to the Optum/ FECA pharmacy locator site. This tool allows you to locate an Optum network pharmacy near your home, work, or current location. The Optum retail pharmacy network is a comprehensive nationwide network, and includes nearly 60,000 pharmacies.



Access the Pharmacy Locator via the main **Tools** menu.



The Pharmacy Locator provides three easy ways to search for participating pharmacies and it is updated monthly:

- **Radius Search** – lists pharmacies in a selected radius from a given address.
- **Pharmacy Lookup** – lists pharmacies based upon a pharmacy name and/or telephone number.
- **Region Search** – lists pharmacies in a selected region such as by County, City or Zip Code.

The online pharmacy directory is updated on a regular basis to maintain accuracy. The listing of a pharmacy in this directory does not guarantee the pharmacy is still in the network or that all the information is accurate. Incorrect data may occasionally be displayed as store locations and contact information change daily and may not yet be updated in our directory. Please be assured that we continually work to improve the accuracy of this service.
